Alabama Public Utilities Alliance Legislative Update - Your Source for Legislative News

Week 12 – May 4, 2012

The Alabama Legislature completed its 26th legislative day of the 2012 Regular Session Thursday. Listed below are a few highlights from the twelfth week of session that may be of particular interest to Alabama Public Utilities Alliance (APUA).

- The Senate and House unanimously approved House Bill 2 banning texting while driving. HB2 was forwarded to Governor Bentley on Tuesday for his signature.
- The Senate joined the House in giving final approval to House Bill 255, by Rep. Jay Love (R-Montgomery). This legislation will allow public employees' overtime pay to count toward their state pensions. HB255 currently awaits the governor's signature.
- The Senate voted 31-4 on a \$5.5 billion education budget Tuesday. The Senate budget chair says the budget will increase funding for school supplies and textbooks. The budget now goes to the House which is expected to make additional changes to the Senate passed bill.
- Senate Bill 384, by Senator Trip Pittman (R-Fairhope) went before the House Committee on State Government Wednesday where it was tabled. SB384 will require a municipality to appraise all property acquisitions, post the acquisition and hold a recorded vote.
- APUA continues to monitor House Bill 660, local legislation that would allow Marshall County fire districts to hold a referendum allowing a meter fee or service fee on each occupied residence. HB660 is pending action in the House Committee on Local Legislation.
- Reminder: Discussions around the Statehouse indicate a Special Session may occur during the five days of May 14 – May 18.

APUA will continue to monitor legislation relevant to our member cities. Attached to this report, you will find a summary of bills important to APUA that were introduced during the 2012 Regular Session and their current status. If there is a particular bill of interest not included in this report, please e-mail asalvador@apua.us with the bill number for more information.
